WINTERSHOW

Saturday, November 22 – Sunday, January 4

Cleveland Botanical Garden's WinterShow has been a holiday tradition for years. A gingerbread competition, magical decorations, lunch in the Garden Café, holiday shopping in the Garden Store, and entertaining programs are all part of the excitement.

The theme for this year's WinterShow, "City Sidewalks," evokes the lush store windows and classic displays from Cleveland's past – nostalgia for the many adults who stood outside those windows year after year and marveled at the wonders inside.

Bring your child and the child in you to the Garden and experience the holidays as they were meant to be.
